

INDEPENDENT AUDITOR'S REPORT

(Free translation)

To the Board of Trustees of Csodalámpa Óhaj-Sóhaj Kívánságteljesítő Alapítvány

Opinion

We have audited the accompanying simplified financial statements of Csodalámpa Óhaj-Sóhaj Kívánságteljesítő Alapítvány ("the Foundation") for the financial year ended on 31 December 2020 which comprise the balance sheet as at 31 December 2020 – in which the balance sheet total is THUF 99,060, the profit after tax is THUF 12 –, the related income statement for the year then ended, and the notes to the simplified financial statements, which include a summary of significant accounting policies.

In our opinion, the accompanying simplified financial statements give a true and fair view of the financial position of the Foundation as at 31 December 2020, and of the results of its operations for the year then ended in accordance with the provisions of Act C of 2000 on Accounting ("Accounting Act"), in force in Hungary.

Basis for opinion

We conducted our audit in accordance with Hungarian National Standards on Auditing ("HNSA") and with applicable laws and regulations in force in Hungary. Our responsibilities under those standards are further described in the "Auditor's responsibilities for the audit of the simplified financial statements" section of our report.

We are independent of the Foundation in accordance with the applicable laws of Hungary, with the Hungarian Chamber of Auditors' Rules on ethics and professional conduct of auditors and on disciplinary process and, for matters not regulated in the Rules, with the International Code of Ethics for Professional Accountants (including International Independence Standards) issued by the International Ethics Standards Board for Accountants (IESBA Code) and we also comply with further ethical requirements set out in these.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information: Public Benefit Disclosure

The other information comprises the public benefit disclosure of the Foundation for the year 2020. Management is responsible for the preparation of the public benefit disclosure in accordance with the provision of the Government Decree No. 350/2011 (XII.30.). Our opinion on the simplified financial statements expressed in the "Opinion" section of our independent auditor's report does not cover the public benefit disclosure and we do not issue any form of assurance on the other information.

In connection with our audit of the simplified financial statements, our responsibility is to read the public benefit disclosure and, in doing so, consider whether the public benefit disclosure is materially inconsistent with the simplified financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If based on our work performed, we conclude that the other information is materially misstated we are required to report this fact and the nature of the misstatement. We have nothing to report in this respect.

Responsibilities of management and those charged with governance for the simplified financial statements

Management is responsible for the preparation and fair presentation of the simplified financial statements in accordance with the Accounting Act, and for such internal control as management determines is necessary to enable the preparation of simplified financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the simplified financial statements, management is responsible for assessing the Foundation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis in preparation of the simplified financial statements. Management has to apply the going concern basis of accounting unless other relevant rules prevent its application or there are facts and circumstances contradicting the going concern principle.

Those charged with governance are responsible for overseeing the Foundation's financial reporting process.

Auditor's responsibilities for the audit of the simplified financial statements

Our objectives are to obtain reasonable assurance about whether the simplified financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HNSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these simplified financial statements.

As part of an audit in accordance with HNSAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the simplified financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis in the preparation of the simplified financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Foundation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the simplified financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Foundation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the simplified financial statements, including the disclosures, and whether the simplified financial statements represent the underlying transactions and events in a manner that gives a true and fair view.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
